Come see our fixtures!

Sterling Kitchen Sink

Greensboro Pipe Company is proud to now stock plumbing fixtures from Delta, Eljer, B&K and Sterling. We also now stock Rheem water heaters as well as Insinkerator Garbage Disposals (Badger V).

As we continue to grow in the pipe and fittings industry, we work hard to provide everything the contractor or homeowner would need for any plumbing project or repair. Look for new products and lines as we continue to serve the customers' needs. Cast

Eljer Round Commode

iron kitchen sinks, pedestal bathroom sinks and Toto commodes are just a few items soon to make their way to the Greensboro Pipe Company store. Give us a call and we will be happy to talk more with you.

Delta 540-WFMPU

Featured Item.....

Next time you are looking to install a new hot water heater, give Greensboro Pipe Company a call. We now feature Rheem brand water heaters.

We offer both gas and electric water heaters in both 40 and 52 gallon capacities. You can choose from low-boy and standard models, and our gas model offers both direct vent or power

vent options. Commercial water heaters are available for quote and delivery to our store is just one day after receipt of order.

Along with the water heaters, Greensboro Pipe Company stocks heating elements, thermostats, expansion tanks and of course...the pipe and fittings you may need for hook-up.

COMMUNITY INVOLVEMENT

For the last three years, Greensboro Pipe Company has been a Bronze Sponsor for the ACC Scholar Athlete Luncheon. All of the money given goes to the Make-A-Wish Foundation to sponsor wishes for children with life-threatening illnesses.

In conjunction with the Nat Greene Kiwanis Club, the Atlantic Coast Conference has raised over \$250,000.00 in the last 10 years to support this worthwhile organization. Greensboro Pipe Company has also supported the Southern Guilford High School Football Program, American Legion Post 386, The Wrangler Soccer Classic and the Southeast Community Center.

The employees at Greensboro Pipe Company love our regional sports and the children and young adults who participate in them. We hope to continue to give back to the community that has supported us over the past 33 years.

KEEP OUT OF REACH OF CHILDREN
 DANGER

Don't forget the Pools!

Pick up a few packs of NOK-OUT Shock Treatment for your pool. NOK-OUT restores water sparkle by destroying harmful bacterial and non-filterable swimmer wastes like perspiration and suntan lotion. One packet treats 10,000 gallons of water.

Did You Know???

Greensboro Pipe Company can set up a customized inventory program just for you!

Greensboro Pipe Company can save YOUR company time and money by offering a customized inventory program tailored for your needs. Wouldn't it be comforting to know that your shelves are being kept stocked with quality products at competitive pricing with no extra time or effort from your company staff?

If your company regularly stocks fittings or other items that Greensboro Pipe Company carries, we can offer the following

inventory program:

- Compilation of the items you want considered for inventory by Greensboro Pipe. We will offer competitive pricing for these items.
- We will come to your location and set up bins and labels for these items
- You set up max/min numbers that you desire to have in stock.
- We visit regularly to check your inventory and to order what you

need to keep inventory at it's maximum.

- We can also offer reports as to your usage.

Our Inventory Program is just one way Greensboro Pipe Company strives to serve you better. Give our sales department a call if this program could benefit your company. We will be happy to come to your location and discuss all the options available to you. Our goal is your satisfaction.
